Corn Husk Dolls

Saturday
August 7
10:00am-2:00 pm
Demonstrations
and hands-on
activities for
children and
adults
illustrating daily
life in early
Fredericksburg

Come make your own corn husk doll!
First crafted by Native Americans
over a thousand years ago, corn husk
dolls were made wherever corn was
cultivated. Pioneer mothers on the
frontier often created the dolls for
their children when other toys were
not affordable or readily available.
